Description / Ref

Bedford TM 6x6 Drop Side Cargo Truck - 11535

Photo (a gallery of photos is provided below - where available)

Details

The TM 6x6 is a very strong truck with much to offer.

The basic form of the TM 6x6 is a cargo vehicle capable of carrying standard NATO ammunition or other stores-carrying pallets.

For this role both vehicles can be fitted with self-loading hydraulic cranes located behind the cab. Standard shelters or workshop bodies may also be carried.

Drop sides and a tailgate can be added to convert the vehicles into general load carriers.

Seating for personnel may also be fitted, however these heavy trucks are usually found moving NATO standard pallets, containers or fuel.

Centrally-mounted winches are mounted on some vehicles.

The body length of the TM 6x6 is approx 21ft
